

## **Two Rivers Soccer Camp Group / Team Discount**

Register with a group or team of 8 or more and receive a \$75.00 discount for each camper + a free sweatshirt for each member of the team or group.

The "group organizer" must list the name of each camper included in your group and the group/team name along with the contact person/group organizer's name and phone number. Group discounts will only be given to the names submitted on the list.

All members of the group/team must register individually. They can do this either on-line, over the phone, send in an application or fax it to our office. Once all members of the group/team on the list have registered and paid their full tuition then we will apply the discount to each member of the group/team.

## Please fax or mail this form will all relevant information needed to our office:
